EDUCATION

MIET Kumaon — *Bachelor of Computer Application (BCA)* | Haldwani, Nainital, UK (Expected: Aug 2025 – June 2028)

Annex Computer Centre — *Master Diploma in Computer Info & System Management* | Haldwani (Jun 2024 – Aug 2025)

Kendriya Vidyalaya Sangathan — *Intermediate & High School* | Haldwani (2022 – 2025)

PROFESSIONAL SUMMARY

Motivated Bachelor of Computer Applications (BCA) student with hands-on experience in software development, AI integration, and core programming. Skilled in C, Java, Python, SQL, and Flutter development, with demonstrated experience leading hackathon teams and building responsive, utility-focused application projects. Proven ability to combine technical problem solving with effective communication and leadership in collaborative team settings.

PROJECTS

My Sathi – Full-Stack AI Medical Companion

- Built a patient care application integrating on-device OCR scanners via Google ML Kit and Gemini 1.5 Flash parsing.
- Developed a Node.js proxy server to securely manage API requests and patient data interactions.
- Implemented local SQLite memory storage for context-aware health companion features and emergency medical alarms.
- **Tech Stack:** Flutter, Dart, Node.js, Gemini API, SQLite, Google ML Kit

LinkPulse – URL Shortener & Analytics Platform *(Team Strawhats, GEHU Tech Geeks Hackathon)*

- Building a full-stack URL shortening and click-analytics platform as part of a 5-member team, responsible for backend development alongside a teammate.
- Developing RESTful APIs with Node.js and Express for link creation, redirection and analytics, secured with JWT-based authentication and role-based access.
- Deploying the React frontend on Vercel and the backend on Render.
- **Tech Stack:** React, Node.js, Express, JWT, SQL

CERTIFICATIONS & ACHIEVEMENTS

- **HackIndia Spark 10 Hackathon (Team Leader):** Served as Team Leader for a 3-member team (Strawhats), directing overall project planning, architecture design, and technical presentation.
- **SQL (Basic) Certificate:** HackerRank (Issued Aug 2026)
- **Fundamentals of Computer Systems & AI using Prolog:** SWAYAM MHRD (Issued Jan/Feb 2026)
- **NCC 'A' Certificate:** Earned National Cadet Corps 'A' Certificate, developing discipline, teamwork, and leadership skills.

TECHNICAL SKILLS

Languages: C, Core Java, Python, JavaScript, SQL, Prolog

Web & Mobile: Flutter, Dart, Node.js, Express, HTML, CSS

Databases & Tools: MySQL, PostgreSQL, SQLite, Git, GitHub, VS Code

Core Concepts: Data Structures & Algorithms, Operating Systems, Computer Networks, DBMS

Soft Skills: Communication, Problem Solving, Leadership, Team Collaboration
